Being the Adventures of
Willie, the Wildcat, thru the
Maze of a Year's Activity

In Explanation Of "Willie"

My name is Willie the Wildcat. To most of you I need no introduction, for you met me in *The 1940 Owl*. You others will get to know me quickly as you turn the pages of this book, because my activities and student life photography constitute our theme. Due to the serious condition of our nation and the circumstances which surround us this year, and with due respect to patriotism, the staff and I have tried to turn from the trend of national events and have attempted to offer the '42 *Owl* in a lighter vein. The true spirit of all Americans is their ability to see the silver lining of every dark cloud. Now, come with me, and let's explore the twenty-ninth edition of *The Owl*.

In planning *The 1942 Owl* our forethought was to assemble a yearbook that would prove interesting to everyone, and one which in some way would picture every phase of school life; so that in future years as you turn back its dusty pages, you can recall in a small measure your school days at good old Paris High. Although the book is far from perfection, if it helps you in any way to remember the past year of school life or some of your old chums, our work and our aim will have been justified.

. . . Dedication

As an expression of our sincere appreciation for his love and interest in student life, for his ability and willingness to serve all students individually and collectively, and for his ceaseless effort to render service to Paris High School, we, the staff of 1942, respectfully dedicate this twenty-ninth volume of *The Owl* to Mr. Raymond Berry.

Respected by the sporting public, revered by the entire student body, and admired by the athletes he coaches, he has remained at all times the same, a gentleman and a friend.

Mr. Berry enjoys reading in his few leisure moments.

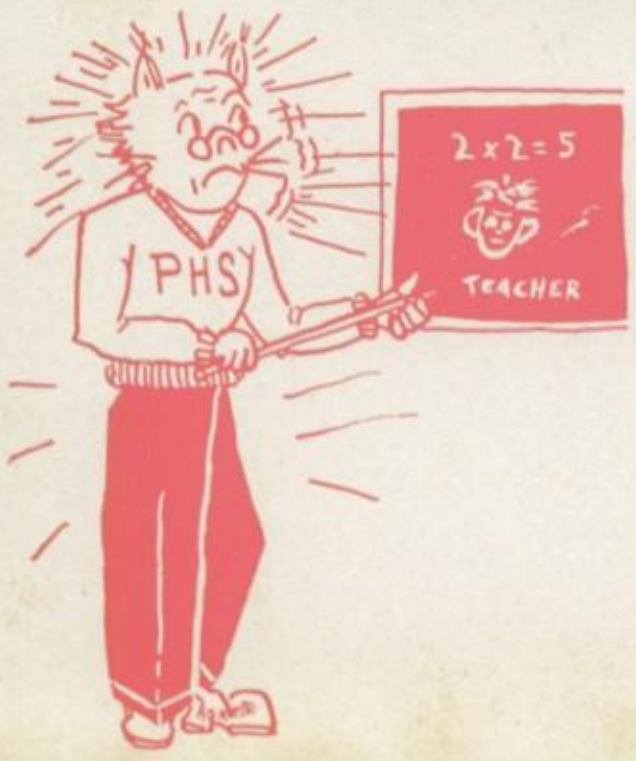
With best Wishes
Raymond Berry

The American's Creed

I believe in the United States of America, as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

(The American's Creed by William Tyler Page was adopted by an Act of Congress, April 6, 1918.)



EXECUTIVES

Our Extra-Curricular Activities

Students of Paris High School find for their choice besides the fifty-two affiliated credits a full schedule of extra-curricular activities. In fact, one will find almost any field of endeavor, including the theatrical, journalistic, athletic, literary, agricultural, and domestic.

One of the most important of these activities is the clubs sponsored by the different departments. These clubs hold regular meetings, presenting both social and instructive programs.

Each of our foreign languages sponsors a club; namely, French, German, Spanish, and Latin. These four active language clubs are old and well-organized.

Our science department is well represented by two splendid clubs, the Biology Club and the General Science Club, which have done much to increase scientific knowledge.

There are many other clubs which help to further the interest of the students in school work. For instance, there is the Speech club, which presents such fine plays in assembly; the F. F. A., a club which advances the boys' knowledge in farming; the Snapshot Club, which promotes interest in photography; the Hi-Y, which creates good fellowship among the boys; and the X-Cello club increases the girls' understanding of the home and its problems. The coveted National Honor Society surely stimulates interest in scholarship and character.

Our extra- curricular activities also cover the literary field. Each year a group of contestants from our high school matches its knowledge and skill with that of the schools of the State in the annual Interscholastic League contests. There are contests to suit almost everyone's ability. For instance, there is the Tournament Play, Ready Writing, Boys' and Girls' Declamation, and Boys' and Girls' Debate. Not only do these contestants spread the reputation of Paris High School throughout the State, but by their tireless work and effort, they learn the finer points of writing and speaking, which they can use to advantage in later life.

Another phase of this all-important field of activities is athletics. For the past five years the Wildcats have put out powerful teams in almost every sport. There is the football squad, winner of the district for the past two years, the strong basketball quintet, the district-winning tennis team, and the fine track and field team. In each one of these sports there is also a B squad for the smaller and less experienced boys. For those boys who do not care to enter one of the above sports, there is a well-planned physical education program. There is a similar program for freshman and sophomore girls. Our school believes that organized athletics is a very important part of every school boy and girl's education, for it not only builds up one's body physically but improves one's moral character as well.

For those who are interested in music, Paris High offers a full schedule, consisting of a choral club, a band, an orchestra, and also credit courses in music. Our school is lucky to have such a splendid band as those famous Blue Blazes to represent it, as well as the excellent Choral Club, which has been so popular with the students this year. Although not so well known as the band and choral club, the orchestra is a talented organization and provides fine training for a future musical career.

Last but not least in our long line of extra-curricular activities is the publication of *The Owl*, our yearbook. Each year a staff made up entirely of seniors, with the help of underclass assistants, is privileged to publish this annual. Not only do we enjoy this task, but we also gain untold knowledge in the fields of journalism and commercial business, which will undoubtedly prove useful in the future.

From this brief outline we hope you may see the broad field of activities which Paris High School has developed for its students, and in a small way will be shown the valuable training offered every student in addition to classroom work.

Board Of Education

Our School Board of '42 is composed of Mr. Henry P. Mayer, who has served as president for the last fifteen years and has been a member for over thirty-six years; Dr. L. B. Stephens, Mr. R. O. Murphy, and Lieut. Col. James M. Caviness, who have served from thirteen to seventeen years; and Mr. J. C. Hathaway, Mr. O. W. Boswell, and Mr. Jess B. Alford, who have served from five to nine years. It is especially noteworthy that these men receive no pecuniary rewards for the time they spend in serving our school. We value highly the services and time that they have rendered for the welfare of our Paris High School.

Below we see members of the School Board and our Superintendent in a meeting to discuss the problems and methods of running our school. Mr. Caviness and Mr. Murphy were not able to attend.

Henry P Mayer, President

This is for the men—
our Board of Education
For whom I have gratitude,
respect, and adm ration.

Mr. A. H. Chamness
Mr. J. C. Hathaway Dr. L. B. Stephens Mr. Jess B. Alford Mr. O. W. Boswell Mr. Mayer

Superintendent

Mr. Chamness with his favorite gun is ready to go.

A loyal friend and an excellent sense of humor are two of the chief characteristics of our superintendent, MR. A. H. CHAMNESS. He practices what he preaches when he says not to take things too seriously, as he often takes time for his favorite hobbies of hunting, fishing, and working with pecans. He also passes his spare time by attending theatres, football games, softball games, and watching swimmers. He is very easy to cook for, and he even likes spinach. However, apple pie is his favorite food.

Mr. Chamness enjoys reading mysteries, comic strips, current events, and things of an historical nature. After all his years at Paris High School, he still enjoys associating with boys and girls, and he hates for vacation time to roll around. His word of advice to all students is not to take things too seriously and to remember that things are never so bad that they couldn't be worse.

Our Superintendent who
lays down the laws,
Always has a tale
for every cause.

Mr. Chamness is shown as we see him most often.

Principal

"The thing that costs the least and does the most is just a pleasant smile." Our principal, MR. THOMAS S. JUSTISS, truly applies this motto and always has a pleasant smile for everyone. With his friendly, genial, and kind spirit he has walked right into the heart of every student and teacher of Paris High School. His patience is remarkable, and this fact is proved when he hears unnecessary noise in the corridor. Although "Fesser's" favorite sport is football, he is an ardent golf enthusiast. He revels in strawberry shortcake, but refuses to eat baked bananas.

He is a faithful friend and has the interest of every student in Paris High School at heart. He gets a big kick out of riding on trains, particularly a football special. Teacher and pupil alike look to Mr. Justiss for advice and guidance. We think we have a wonderful principal.

Mr. Justiss can show us how it's done.

Professor Justiss is his name.
He has a nervous breakdown after each game.

Mr. Justiss and that famous smile.

Thomas S. Justiss

Pep Rally at Grand Theatre.
Someone seems out of step.

Junior Jingles . . .

1. First rate jitterbugs of Class 1-A
   Also make a cute couple. What do you say?
   Who are they?

2. Six junior cuties who are always on the go,
   Are either looking for a man or putting on a show. Who are they?

3. On a football field they earned their letter.
   The junior class thinks there are none better.
   Guess Who?

4. An outstanding boy liked by everyone,
   Enjoys going places and lots of fun.
   Guess Who?

5. As they stroll down the hall at each other they smile,
   Because they think that no one is within a mile. Who are they?

6. This handsome Beau Brummel likes to dance,
   And puts many of his girl friends in a trance.
   Who is he?

7. Juggling hearts is his chief trait,
   For he is always seeking a pretty mate.
   Guess Who?

8. At dishing the dirt she is a wow.
   She knows everybody's business and how.
   You guess.

9. No matter how hard a person may try,
   This attractive girl will always be shy.
   Who is she?

10. Two pretty brunettes with grace and charm,
    Who are always seen together arm in arm.
    Can you name them?

11. A good-humor boy liked by all,
    For whom any Junior girl could fall.
    Guess Who?

12. This easy-going lad is quite a thriller,
    At times we think he is a lady-killer.
    Do you know?

13. This well-dressed boy can get music out of anything,
    Not only can he play, but he can also sing.
    Who is he?

14. An outstanding German student, who is very smart,
    He always has an answer ready as quick as a dart. Guess.

Answers will be found in the advertising section. Look them up, and you will be surprised.

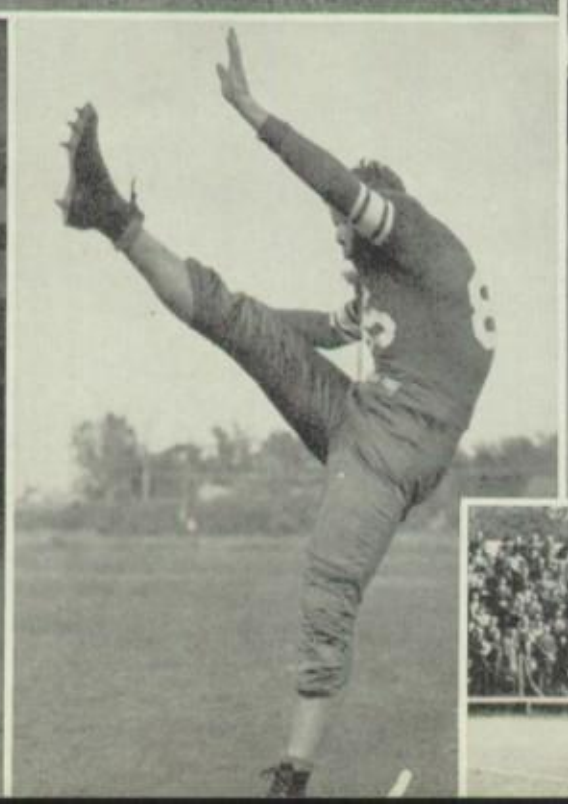
SCHOOL LIFE

Look, my children, and you shall see
A glimpse of every school activity.

Farmers - Fun - Football

1. Future Farmers celebrate. 2. Grinding Gainesville. 3. Our William Tells or a mighty pretty posed picture. 4. Before the fall at the hands of the Highlanders. 5. It wasn't all work at Denton. 6. Is this Bucky or John Kimbrough? 7. Mr. Justiss associating with hobos. 8. Singing our national anthem before the Gainesville game.



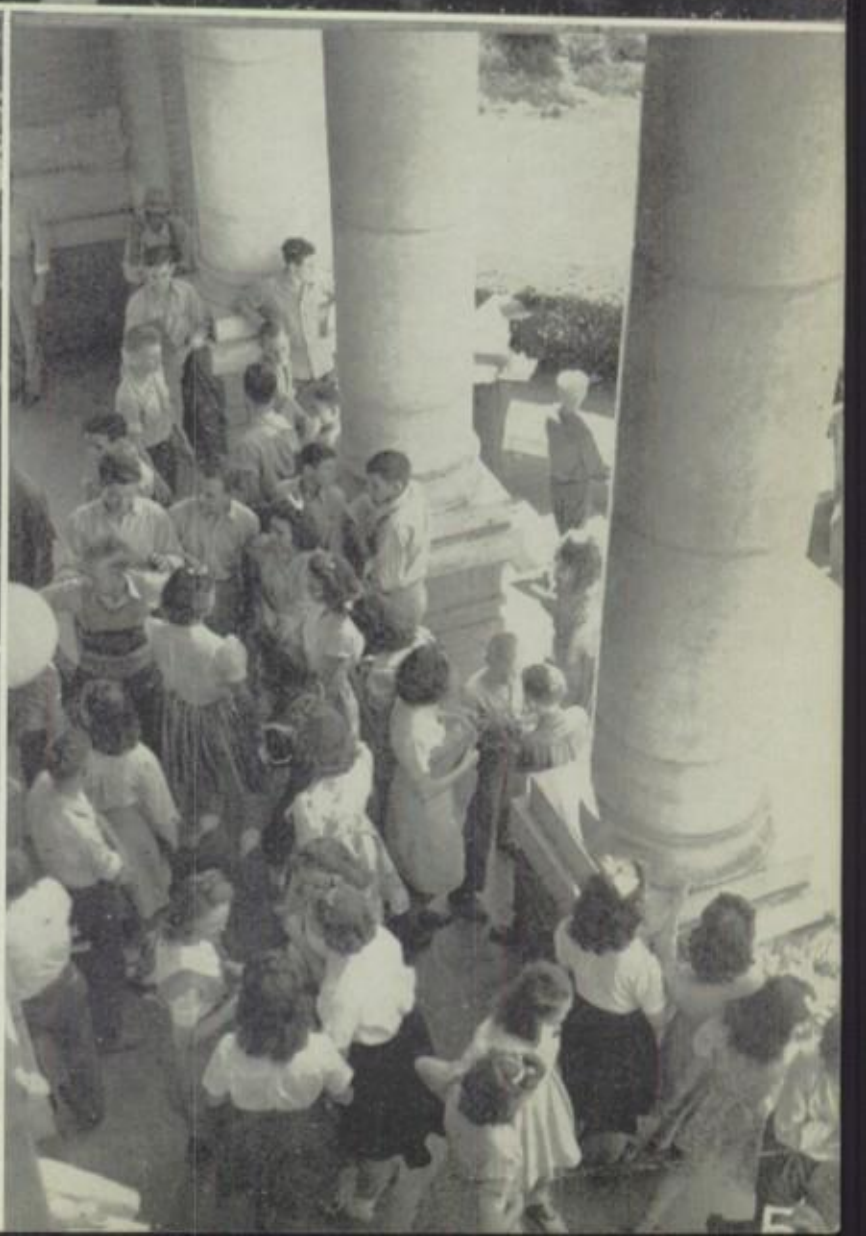
Preparing - Parading - Prevaricating

1. Registration and our guiding lights. Isn't Miss Goolsby striking a pretty pose? 2. Mr. Ray's physics class, and do we work? 3. The Blue Blazes warming up for Hugo. 4. What's the hold-up? What cheer leaders are late for the pep rally? 5. The gossip columns or can you find yourself among the prevaricators and procrastinators?

WHO'S WHO

Buryl Baty

Best All-Round Senior Athlete



Shouts - Smiles - Smells

1. The shouts that dazed Denison. 2. The noon bell—What! no appetites? 3. Mr. Justiss minus his worries. We cut them out of the picture. 4. The staff takes time out from a staff meeting to enjoy juicy steaks. The Night "Owls." 5. Hope's Seventh Heaven, but Miss Hankins is certain to have something for her to do. 6. The Freshmen really turned out to help the Wildcats tame the Bearcats. Will L. Horn just had to pose for the photographer. 7. Even Ashmore has books.

WHO'S WHO

PERSONALITIES

How We Selected Our Personalities

The first step in electing an *Owl* Sweetheart was the selection from each class of a Sweetheart candidate. Since the *Owl* Sweetheart was to have the most outstanding page in the Personality Section of *The 1942 Owl*, this honor was coveted by each class and every girl in Paris High School. Betty Cross, Patti Bess Lummus, Patsy Hooker, and Sally Freeman were the girls elected by the seniors, juniors, sophomores, and freshmen respectively. The students voted when they had their pictures made and when they made their down payments on the yearbook. If a student had his picture made the first day of his class's week, he was allowed to cast 400 votes for his favorite candidate. If the picture was made during the next three days of the week, he could cast 200 votes. The remaining days of the week only 100 votes were allowed. If a down payment or a full payment was made by November 14, 1941, each penny in the payment counted two votes. After this date and until December 10, 1941, each penny counted only one vote. Congratulations, Betty! You have something to be proud of.

The favorites and best all-round students were selected by secret ballot in their respective classes. The Who's Who found in the School Life Section was elected by the Senior Class in secret balloting.

It was the desire of *The Owl* staff to give special mention to a select group of students whom the teachers considered deserving of high recognition. The number, of necessity, had to be limited. The staff asked that each teacher nominate two of her outstanding students, taking into consideration scholarship, personality, character, extra curricular activities, leadership, and service to the school. From those nominated a faculty committee selected the fifteen students whom you see pictured in the Meritorious Service Section.

Photographer

CHARLES JOINER, smart, good-looking, polite, and amiable senior, takes pictures for *The 1942 Owl*. He loves to sketch, and hunting tops his sports activity. Although he hates spinach, he dotes on fried chicken, candy, and nuts. Betty Grable is his idol while the "Hit Parade" is his favorite radio program. To be an architectural engineer is his ambition.

* * * * *

Dependable ??

JOE WARREN TEAGUE, a member of the Sophomore class and an *Owl* assistant, who is interested in photography, aspires to be a news reporter. His weakness is strawberry shortcake, but he shudders at the mention of carrots. Brown hair, gray eyes, pleasing personality, and admirable disposition add to his charm. Since he enjoys dancing and plenty of fun, he collects records. Joe has a good scholastic standing and is well liked by his fellow students.

* * * * *

Polite

CORA DELL DESHONG, cute, sweet, and very congenial junior, collected dresden dolls until World War 11. Since she can only drive "Squeedunk" in warm weather, her favorite pastime is playing the accordian. She loves hamburgers but is definitely opposed to squash. Kay Kyser and the "Hit Parade" are her favorite radio programs. Dell wants to be a secretary and would like to have Tyrone Power for her boss.

* * * * *

Scholar

MARGARET CONDRAY, a green-eyed blonde, is president of the Senior class. She likes to draw and is an ardent football fan. Her pet abominations are unfriendly people and bad weather. She aspires to be a journalist and an expert in foreign languages. Her ability to debate was proved last year when she represented Paris High in the State contest of the Texas Interscholastic League in Austin. This senior *Owl* assistant is to a classroom as cream is to coffee.

* * * * *

Popular

BETTY CROSS, the blonde, brown-eyed majorette of the Paris High Blue Blazes, is a senior. Her ambition is to be an airline stewardess, but at the present time her chief interest is swimming and dancing. A remarkable personality and sweet disposition are two reasons why she was elected favorite and most outstanding girl in both her sophomore and junior years. In her Senior year the honors of favorite, football queen, and *Owl* Sweetheart are hers. Being an excellent student and Associate Editor of *The 1942 Owl* are two of her merits.

Handsome

JIMMY MILES, Freshman class president, is a member of the Latin Club, General Science Club, and served as an assistant for *The 1942 Owl*. After football practice Jimmy revels in devouring a turkey sandwich. He hates spinach, but there is no such feeling when he sees Betty Grable emote on the sceen. His first ambition is to be a doctor. Jimmy has brown hair, blue eyes, and is 4 feet and 10 inches of personality and friendliness.

* * * * *

Jitterbug

JACK SANDSBERRY plays football on the B Team. He is a 5 foot, 8 inch red-headed junior member of the Hi-Y club. Pecan pie is his favorite food, but he is allergic to spinach. His ambition to be an army officer may be sooner realized than expected. This A-1 jitterbug possesses oodles of personality, scholarship, and leadership.

* * * * *

Musician

NANCY CAVINESS, attractive member of the Sophomore class, collects regimental insignias. She is a talented brownette who plays the kettle drums and piano. Her ambition is to become a concert pianist. Nancy dislikes getting up and oysters, but anything chocolate appeals to her. Her care-free personality is shown by her love to swim and ride horseback. A sweet disposition and dependability are two of her outstanding characteristics.

* * * * *

Demure

SALLY FREEMAN led all Freshman assistants in the sale of *1942 Owls*. She enjoys dancing to records by Glenn Miller and going to the picture show. Although she collects miniature furniture and foreign dolls, playing the piano and church organ is her favorite diversion. To teach public school music is her ambition. This strawberry blonde is a member of the General Science, Latin, and Snapshot Clubs.

* * * * *

Vivacious

BETTY RUTH ANTOINE is one red-head with a good disposition and a wonderful personality. She keeps a diary as well as a "steady." Her ability to dance is superb, and she hates to be idle. Since she is Advertising Manager of *The 1942 Owl*, she does not have much time for her favorite pastime—reading mysteries. She aspires to be a medical technician. She is Hi-Y Sweetheart and is known for her vim, vigor, and vitality.

Loquacious

POLLY MAJORS, ardent speech-maker and correspondence enthusiast, is Business Manager of *The 1942 Owl*, president of the Speech Club, reporter for the Latin Club, and a popular member of the Senior class. After an enjoyable evening of dancing, she loves ordering two hamburgers at once, but she can't stand the sight of okra at any time. Polly's one ambition is to be a lawyer. She is five feet and two inches of friendliness and dislikes snobbish people.

* * * * *

Amiable

THOMAS JUSTISS, Junior member of the Hi-Y Club, treasurer of the Latin Club, trumpet player in the Blue Blazes, passes his extra time by hunting or dancing. He is five feet, eight inches tall, with brown hair, blue eyes, and a definite weakness for fried chicken. Thomas is a possessor of charm, personality, originality, and leadership.

* * * * *

Talented

PATTI BESS LUMMUS, drum major of the Blue Blazes, sings, dances, and plays the accordian. She has brown hair, green eyes, and a charming personality; to top it all a lovable disposition, high scholastic standing, and a very friendly manner. Fried chicken appeals to her gastronomical tastes, but she has a strong distaste for squash. Being secretary of the Junior class may benefit her in her desire to be an efficient secretary. Saving pennies is her hobby while dancing is her favorite diversion.

* * * * *

Versatile

LUKE ABBETT, the six foot, 175 pound center of the Paris Wildcats, is an outstanding member of the Senior class. The captain of the '40 and '41 editions of Wildcats loves to sleep and eat anything except mince-meat pie. He was president and most popular boy of his class for his first three years in high school. Luke, the Editor of *The 1942 Owl* and most outstanding Senior boy, is dependable, witty, and has a keen sense of humor.

* * * * *

Sophisticated

PRISCILLA SCOTT, popular Freshman student, loves to read murder mysteries. Her favorite sports are tennis and horse-back riding. She passes her spare time by developing pictures in her own dark room and collecting matches. Kay Kyser and Glenn Miller are her orchestra idols, while Tyrone Power on the screen makes her heart skip a beat. The thought of tamales and chili makes her mouth water. This charming blonde, with an incomparable disposition, would like to be an interior decorator.

The seventy-five piece band is often called Paris High's Twelfth Man. The Blue Blazes have made many interesting and remarkable maneuvers on the football field this year. They have attended all football games, appeared in assembly, and on numerous occasions taken part in celebrations in our city.

Under the capable direction of Mr. Weger the band is changing from a brass band to a symphonic band in order that they may be able to compete in various festivals and contests throughout the State. Because of the stunning appearance of the Blue Blazes every Parisian feels his heart beat a little faster when they appear in a parade or on the football field.

Mr. Floyd Weger

Band Director

Mr. Weger came to us this year from Shidler, Oklahoma. He holds a B. A. degree from South Eastern College in Durant, Okla., and he studied two years at the Julliard Conservatory of Music in New York City where he played first trombone in the Julliard Symphony Orchestra. The trombone is his major instrument, but he has a playing knowledge of all legitimate band and orchestra instruments.

We are, indeed, fortunate to have a man of Mr. Weger's ability at the head of our music department. We are happy to have you with us, Mr. and Mrs. Weger.

Paris High proudly boasts one of the finest and most efficient coaching staffs in the State. This staff, which led the Wildcats to their second straight District Championship, is composed of Raymond Berry, Paul Lively, Peter Barnett, and Ralph Webb. Head Coach Berry, since coming to Paris from Corpus Christi, has made Paris one of the State's chief school boy powers. By winning the District two consecutive times, Berry becomes the first coach in the history of District 5AA to accomplish such a feat. His first assistant is capable Paul Lively, builder of those strong Paris lines, which have become quite famous by their numerous goal line stands.

Peter Barnett, B team mentor, also heads the destinies of P. H. S. in the district basketball race; while Ralph Webb coaches the well known super nubs and instructs the Wildcats on the cinder track.

Our District Champs

Season Review

Prospects for the forthcoming year were among the brightest which had faced the coaches of Paris High in many a year. With 12 returning lettermen of whom 5 were regulars of the 1940 Bi-District Champion Squad, the squad entered the '41 campaign as a marked team. Even with this great handicap facing them, the Wildcats came through their regular season without a single loss. They trampled such non-conference teams as Longview, Hugo, Okla., Sulphur Springs, Arlington, Texarkana, and McKinney before turning loose their unbridled power on their conference foes—Sherman, Denison, Gainesville, and Bonham.

As every team must meet defeat sometime, the Wildcats fell before the passing Scotties of Highland Park (Dallas) in Bi-District competition. The final record of the '41 Wildcats was 10 wins and 1 loss and a final scoring record of 342 points to 52 for all opponents.

Our All-State And . . .

Paris High finally rates an All-State performer! Wildcat guard, Jack White, is the first player in the history of our school to land on Associated Press's first team, which is generally accepted as the authentic All-State team. Not only did he make this team, but he was a unanimous choice on every other selection in the State and was described by some as the outstanding lineman in the State. White, second team all-stater last year and All-District for two years, weighs 196 pounds and is quick and aggressive. He was the mainstay of the '41 Wildcat line and broke through many times to break up opposing offenses when they were beginning to threaten our goal line. Jack, whose blocking and tackling was greatly improved over last year, graduated at mid-term and is now a bright prospect for the 1943 Baylor University varsity.

Also to receive high honors was Co-Captain Buryl Baty, who was placed on the second team and rated honorable mention on practically every squad published. Buryl was a constant threat with his elusive runs and his bullet-like passes. He has been the main cog in the Wildcat offense for the last three years. Baty also graduated at mid-term and plans to attend Texas A. & M.

Football Queens

Bettie Jo Hutchinson
Betty Cross

Although both are named Betty, one is a stunning brunette, and the other is a dazzling blonde. These two girls are known to both students and teachers for their charming personalities. During their four years in Paris High School, they have both been very active in extra-curricular activities, taking part in numerous club activities and being recipients of several other honors bestowed on them by their classmates. They both justly deserve the honor given them by the football squad.

The defending champions of District 5AA, the Paris High Wildcats, opened their 1941 football season with a 27-6 victory over the Longview Lobos. Over four thousand fans saw the Wildcats score in every period. Baty and Sheffield alternating marched for the first score with Baty scoring. In the second period Coker scored on a pass from Baty. Sheffield crashed over for the third score. The final score came from a blocked punt by Ollie Jack which Abshire recovered in the end zone. Longview's only score came in the fourth period.

In the first home game of the season the Wildcats slaughtered the Hugo Buffaloes 46-0. The regulars, who only played half of the game, scored almost at will. Baty and Sheffield made two touchdowns each with Baty passing to Ashmore and Hartline for two other scores. Jack White made his first touchdown when he blocked a punt and recovered it in the end zone. The reserves, sparked by Felix Gibson and speedy Billy Malone, made a drive in the last of the fourth quarter that played out on the 10 to end the ball game.

The Paris Wildcats smashed the Sulphur Springs Wildcats 32-0 on a very wet and soggy field. Baty once again sparked the Paris offence by making three touchdowns and passing to Hudson and Hartline for two more. The regulars retired early in the last quarter, and the second string battled the Sulphur Springs Wildcats on even terms the remainder of the game. Ashmore, White, and Jack stood out in the Wildcat forward wall.

The Wildcats began the defense of their District 5AA Crown by taking the Sherman Bearcats 32-6. On the third play after the opening kickoff, Baty sped 65 yards for a touchdown. Baty scored three more teedees with his fourth being another 65 yard jaunt. Sheffield made the third touchdown by power-housing his way over from the four. Sherman made their only score as a result of an intercepted pass in the fourth period.

Paris was behind for the first time in 18 games. About 3,000 spectators and the Wildcats themselves received an unexpected surprise when Arlington scored in the opening moments of the game. The Colts did not hold the lead very long, however. Bucky drove over from the five after a 62 yard drive. Coker took the ball over for the second score. Baty made two other touchdowns, one being on an 84 yard run. He accounted for two more on passes to Hartline. The game ended with Paris on top 40 to 7.

The big Blue Tide continued its march by downing Denison 24-0 for their second 5AA win. The inspired Yellow Jackets held for the first three quarters, but the Wildcats were too big and too good for them. Big Bucky Sheffield led the scoring with two touchdowns. Baty stepped 24 yards for six more points and passed to J. W. Ashmore for another score. The entire Wildcat line, led by White, Jack, and Jones, played outstanding ball, while the secondary played heads-up ball, intercepting 5 of Denison's passes.

The fighting Paris Wildcats came from behind to cinch the District 5AA championship by downing the inspired Gainesville Leopards 28-14. Led by Jack White, Luke Abbett, Ollie Jack, and Buster Espy the hard charging Paris line held the Leopards to two touchdowns. Buryl Baty truly showed his ability by scoring 22 points and solely directing the Paris attack. Red Hudson made a great showing when he ran 38 yards to pay dirt on a recovered fumble. Paris was greatly handicapped by the injury of Sheffield, but John Barton capably filled in. It was in this game that the '41 Wildcats proved their true greatness.

For the second straight year Paris ended its regular season undefeated by outplaying the Bonham Warriors 35-0. The Wildcat regulars ran up 21 points in the first quarter and retired. Baty ran his total score to 160 points for the season by scoring 17 points in this game. Other scores were made by Gibson and Hudson, who tallied twice. Hudson's first score came on the interception of a pass and a forty yard run without a hand touching him.

The Paris Wildcats were outscored 19-0 for the first time in 24 games when they met their waterloo against the Highland Park Scotties. The favored Wildcats were outplayed throughout the entire game, because they could never get their offense to clicking. Paris was greatly handicapped when Baty was forced to play most of the game on a sprained ankle. The Scots were never able to gain through the hard charging Paris line, but their passing attack was too tricky for the Paris secondary. Midway in the first period Paris marched down to the 20 yard line, but Baty fumbled to end the threat. Another 62 yard drive was stopped by the timekeeper's gun in the last period to end the '41 Wildcats 10 game winning streak and dreams of the State title for the 1941 football season.

The Paris High B Team or Nubs, under the capable coaching of Peter Barnett, once again played under the slogan of playing anywhere, anytime, and anybody. Although the team came through the season without a win, the boys were as fighting a team as ever played, and at times showed great promise. The team included such future prospects as Sandsberry, Thielman, Zimmerman, Wooldridge, Espy, Brazile, Hollis, Sturgeon, Smith, Pannell, Hickey, and Boswell.

The Super Nubs, coached by Ralph Webb, boasts a better record than the Nubs, winning three and tying one. This was the first year most of these boys had played high school football, and they proved to be very promising future Wildcats. Outstanding members of this team proved to be Floyd, Wetherbee, Stinson, White, Dodson, Kuykendall, Cooper, Adams, Stell, McGee, and Campbell.

On The Maple Court . . .

Wildcats Gain Revenge On S. S. Wildcats 22-19

In a return game the Paris Wildcats beat the Sulphur Springs Wildcats 22-19. The game was a nip and tuck affair with Paris winning out in the last quarter. Ollie Jack with 10 points and Roy McFadden with 9 points led the Wildcats to victory.

Cats Win First District Game 26-16

The Wildcats opened their district schedule by clawing the Denison Jackets 26-16. Paris grabbed an early lead which it never relinquished. Luke Abbett with 10 points and McFadden with 7 points took high point honors.

Cooper Walloped Twice

The Wildcat regulars conquered the Cooper Bulldogs 41-21 after the Wildcat B. team had beaten the Cooper B team 28-14. Ollie Jack and L. V. Morrow led the regulars by scoring 10 points each, and little J. C. Coker scored 10 points to lead the B team.

Wildcats Top Bonham 26-22

The Wildcats gained their second district win by defeating Bonham 26-22. The Wildcats started off slowly, but found the basket in the third quarter to come from behind and win. Roy McFadden topped all scorers with 11 points.

Wildcats Take Bearcats 39-23

The Cats easily drubbed the Sherman Bearcats for their third district win. Paris gained an early lead which they held throughout the game. Abbett with 12 points and McFadden with 10 points were high point men.

Wildcats Take Another Double-Header

The P. H. S. Cagers copped another double bill from Cooper when the regulars, lead by Jack with 14 points and Abbett with 9 points, won their game 39-26. Jordan and Hollis led the B team to a 31-14 win by each scoring 8 points.

Wildcats Trounce Warriors 41-21

The Wildcats hit their stride against the Bonham Warriors and easily defeated them 41-21. Paris jumped into a quick lead and were never seriously threatened. Ollie Jack was top scorer with 16 points; while Dicky Jones and Roy McFadden were runners-up with 10 points each.

Wildcats Eke Out Against Bearcats 34-29

The Wildcats came from behind to defeat a vastly improved Sherman team 34-29. Behind 19-15 at the half, the Wildcats staged a rally late in the fourth quarter to win the game. Forward Dicky Jones led the scoring with 15 points.

Wildcats Win Over P. H. S. Wildcats 23-19

The Paris Wildcat Cagers opened their 1942 basketball season by meeting defeat at the hands of the Sulphur Springs Wildcats 23-19. It was a rough and ragged game in which the S. S. Wildcats led all the way. Luke Abbett was the game's high scorer with 8 points.

Wildcats Suffer First District Defeat 18-17

The Gainesville Leopards nosed out the Wildcats in a hard-fought district game. Although behind for almost the entire game, the Wildcats rallied in the last quarter only to have it fall one point short. Even though he played only half the game, Roy McFadden tied for high point honors with 6 points.

Gainesville Tames Wildcats Again 32-26

The Wildcats were knocked from the district race by losing to the Leopards for the second time. Although Paris led 15-14 at half time, inability to hit the hoop cost Paris the game in the second half. Ollie Jack once again led the Wildcats, scoring 11 points.

Denison Evens Count 25-20

The Wildcats ended their 1942 basketball season by losing to Denison 25-20. The Yellow Jackets got the jump on the Wildcats and led all the way. After starting off slowly the Wildcats came to life the second half, but it was too late. Dicky Jones led the Wildcat attack with 9 points. This defeat put Paris in third place in the district with 5 wins and 3 defeats.

. . . Wildcats Up From Down Under

1. Ollie hits the hoop against Sherman. 2. Sheffield takes a free pitch against the Bearcats. 3. Coach Barnett checks up at the half. 4. Wonder who got the ball when it did fall? 5. Wildcats get the tip-off against Denison. 6. Time out, but we did manage to get Ashmore in this picture. 7. Walker flies through the air with the greatest of grace. 8. B Squad: Front Row: Walker, Coker, Jordan, Killebrew, Hollis. Back Row: Hicks, Barton, Miles, Chennault, Coach O'Dea, Coach Barnett, Shelton, Hickey, Gibson, Davenport.

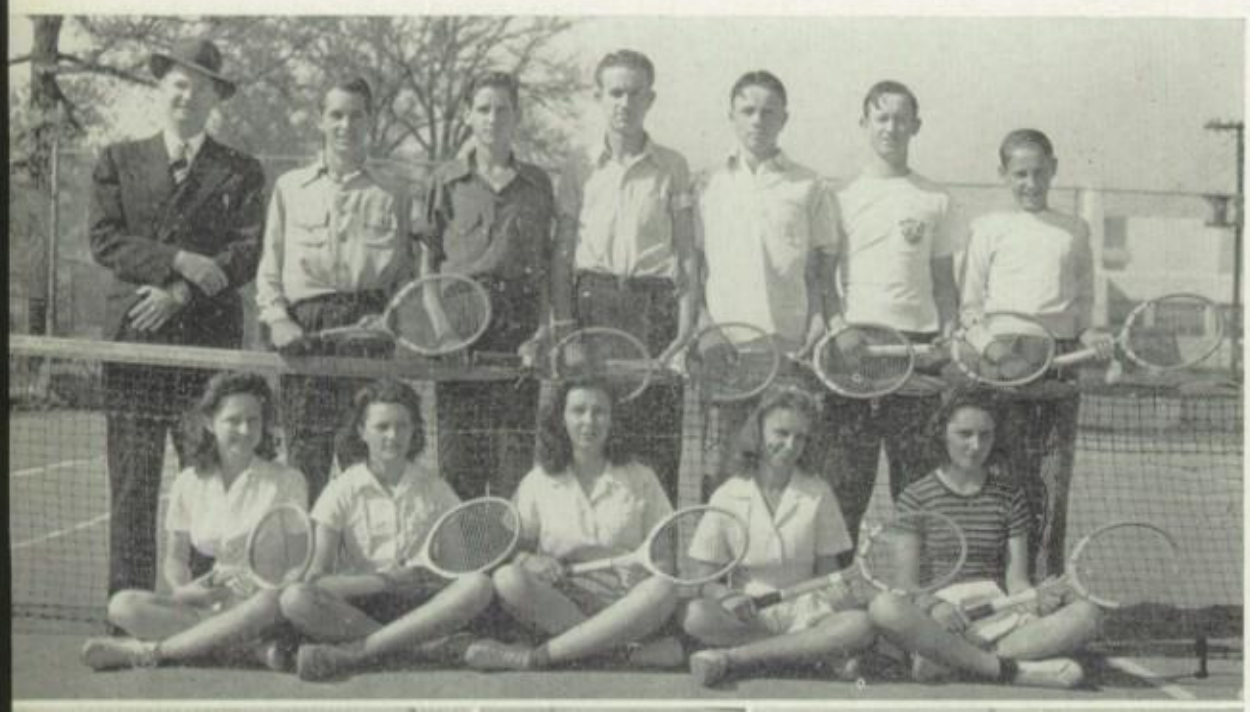
Our Champion Racket-Swingers

With only one veteran back from last year's district championship team, the outlook for the Wildcat 1942 tennis team was only fair. Practice meets with the experienced Sherman and Denison teams added to the dismal outlook, as these teams beat our fighting Wildcats. But Coach Echols kept working with his 16 man squad, and when time for the district meet rolled around, he had built another strong team.

At the District Meet our netters came through with an almost complete sweep of the meet, winning every event except the girls' doubles.

Congratulations to this hard-working group and to Coach Echols, who has turned out a district winner in tennis for four consecutive years. It will not be possible to include the Regional scores, but here is wishing good luck in both the Regional and State Meets.



Interscholastic League Results

Girls' Singles: Dochia Lawrence beat Kyletha Buie of Greenville 6-0, 6-0 to win the District Tennis Crown.

Girls' Doubles: Alma Jean Gray and Virginia Reeves were eliminated by the Greenville girls 4-6, 1-6.

Boys' Singles: A. L. "Nubbin" Dawson beat Jerry Kelly, Greenville, 6-0, 6-0 in the first round. In the finals he came from behind to beat Sulphur Springs 6-3, 4-6, 3-6, 6-1, 8-6.

Boys' Doubles: James Killebrew and Johnny Bankhead easily defeated Hill and McAnally of Bonham, 6-0, 6-2 in the first round. In the finals they outstroked Greenville's Scott and Shackleford, 6-1, 6-1, 6-1.

By these wins both the singles and the boys' doubles were eligible to compete in the Regional Meet.

In this our depressing tale of woe,
We shall learn why our track team didn't go.
This poor lad has got the blues,
He had to put away his track shoes.
This whizzing trackster could not race,
As spring training took his place.
For Mr. Webb, let us give three cheers,
Because of his leaving we are all in tears.
Let us raise our voices for "the might have been."
And hope that they may soon run again.

Our Contestants

Paris High was represented this year by an unusually talented group of students in the various contests open to high school pupils. Miss Katie Feeser's Debate Team, which entered a large number of invitational meets before going to the District Meet, spread the fame of Paris High throughout the state. Our debate teams entered successfully such invitational meets as the ones held by Adamson, Baylor, Wichita Falls, Denison, Sunset, and Denton. Competing with the best teams from all over the State, our team showed up remarkably well, bringing back trophies from both the Adamson and Sunset meets, and ranking high in all other meets entered. In the District Meet the Girls' Debate Team breezed through all competition; while the boys were defeated in the finals. By this victory the Girls' Team will compete in the Regional Meet, but because of a lack of time, we will not be able to give further results in *The 1942 Owl*

Congratulations are in order for Lucy Turner for winning first place in the Essay Contest and for Jeannette Amis for winning first place in Extemporaneous Speech. May they also have good luck in the Regional Meet.

Freshmen from Paris High School did exceptionally well in the Latin Tournament District Meet at Greenville, April 11, 1942. Mayenell Waterman won first place with her essay on Roman Amusements, and her paper will be considered for State recognition. Sally Freeman and Helen Crain are to be complimented on their excellent grades in the written contest.

Girls' Team: Margaret Condray and Margaret Uzzell. Kathryn Humphreys, alternate. The two Margarets won the District Meet and advanced to the Regional Meet, and we hope to the State Meet, but the results will be too late to get in *The Owl*. Coach, Miss Katie Feeser.

Ready Writing (Essay): Lucy Turner won first place in the District Meet. Pauline Reed was the alternate. Coach, Miss Inez Bishop.

Extemporaneous Speech: Jeannette Amis and Joe Warren Teague. Jeannette Amis won the District Meet. Coach, Miss Christine Goolsby.

Latin Tournament: Mayenell Waterman won first with her essay. Sally Freeman placed fourth and Helen Crain sixth in the Latin Contest. Teacher, Miss Martha Hankins.

Romani Hodierni, our Latin Club, is the oldest and one of the most active organizations in Paris High School. This year each six weeks the Senior Latin students, ably assisted by the underclassmen, have published a mimeographed magazine, *Hodie et Heri*. We are also very proud of our new Latin Club stickers, a facsimile of our club pins, printed both for our cars and notebooks. Along with our regular club work this year, we have a chapter of the Junior Classical League with sixty-five members. The Junior Classical League is a nation-wide organization to promote and advertise the Classics.

The Senior class in costume entertains the club with a program celebrating the birthday of Virgil. We really enjoyed it.

Hodierni

Each member has a J. C. L. pin, a membership card, and receives *The Torch*, a newspaper published by the Texas State Junior Classical League.

To our Christmas Party each member brought a contribution for our Red Cross offering. New Cicero textbooks were bought for the Seniors and rented to them for a very nominal sum. The Club now has new Cicero and Virgil books to rent to the Senior class. Since the State does not furnish these books, this is a service the Club is happy to render.

We are also very proud of our triple trio, composed of Margaret Uzzell, Margaret Condray, Lois Jane Morris, Betty Antoine, Marion Joan Wright, Mary Louise Kirkpatrick, Jeanette Barton, Hope Hopkins, and Polly Majors.

The Hi-Y's Choice

Our Hi-Y Club, organized in 1930, with the help of different sponsors, has grown in both membership and ideas. The club meets every Monday night, and programs which are beneficial to the members are presented. The Club now has a membership of over fifty junior and senior boys who follow the club pledge, "To create, maintain, and extend throughout the school and community high standards of Christian character."

We are, indeed, fortunate this year to have such interested sponsors as Mr. Freeman, Mr. Dickey, and Mr. O'Dea. They have taken an active interest in our activities, and we do appreciate their cooperation and help.

Betty Ruth Antoine

Hi-Y Sweetheart

Betty Ruth, with her pleasing personality, friendliness toward everyone, and ever present smile, especially deserves the honor bestowed upon her by the Hi-Y Club. After being elected by secret ballot, she was presented at the annual Christmas Banquet and Dance at the Golf Club by Carl Henry Gullick, president.

Bluebloods Of Scholarship

Motto: Character is achieved, not received.

Honors: Since this is strictly an honorary society, honors come to the society through the outstanding efforts and achievements of its members. The society is noted for the willingness of its members to serve the school. They cooperate with teachers, take part in all activities, and assist in the general routine of the school.

In the spring of each year the highest five percent of the junior class is inducted into the organization. The following year ten percent of the senior class is initiated into this society at the end of the first semester. Among the fourteen members admitted in their junior year were the 1942 Senior Class president, officers of the Speech, Spanish, and Latin clubs, Junior Rotarians, *Owl* Staff members and assistants, members of the Paris High School Band, and champion debaters. This year there were twenty-nine seniors, including such outstanding members as the photographer and assistants of the *Owl* and several Junior Rotarians, elected into the society. Their initiation in assembly was regarded with reverence by both the student body and the participants.

Purpose: The purpose of this organization is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of the American secondary schools.

Scholarship, service, leadership, and character are the magic words that bind our organization together. They are our ideals, and they form the emblem of our society. The members are recognized, not only by the pins they wear, but also by the valuable service they render, the leadership they exhibit, and the high standards of scholarship and good character they maintain. Being representatives of these standards, the members stimulate a desire in other students to attain these merits.

The Owl . . . . .

Now that your book is out and our task is almost completed, the entire staff whose pictures appear here would like to sincerely thank each and everyone of you who has in any way helped to make the 1942 *Owl* possible. Special thanks are due the faculty, Mr. Chamness, Mr. Justiss, Turner's Studio, Southwestern Engraving Co., Bill Woodside for data, and the Peerless Printing Co.

Also at this time I would like to express my deep appreciation to each member of the staff for their work and enthusiastic cooperation, and especially to our sponsor, Miss Hankins, whose hard work and patient guidance made this publication possible.

Luke Abbett
Editor-in-Chief

To Charles Davis, who served as photographer for the 1941 *Owl*, we want to give particular mention. We are deeply indebted to Charles for his able and willing assistance with the photography of this book. He is responsible for most of the pictures in the football section and helped the staff photographer with many other pictures.

At last our yearbook is out, but without the splendid cooperation that we have received it would have been an utter impossibility. Especially do we appreciate each and every advertiser who placed an ad in our book. Their ready response enabled us to have an annual and made it possible for the students to obtain *The Owl* at a nominal price.

Let me offer my sincerest thanks to the staff and sponsor for their able assistance at all times. I want also to thank each staff assistant for his indispensable aid and cooperation with the circulation of *The 1942 Owl.*

" . . . And I, as President of the Senior Class of Paris High School in 1942, do welcome you to this reunion in the year of 1964."

Thus the welcome address of the famous columnist, Magaret Condray, who was the president of that memorable class, was ended.

On looking over the members of our class, I was, indeed, astonished to find that Admiral Buster Espy had docked long enough to join class. Airline stewardess, Emma Katherine Bone, had made a non-stop flight to be with the gang. Who is that beautiful model? Why, none other than Marie Robb. Danny Hearn had to close the bank today, as it could not continue without the president. The concert singer, Jean Dunagan entertained us with her angelic voice. Patricia Bankhead was unable to attend as she had to appear in the latest Broadway production, directed by Bert Thomas. The chemist, Mary Louise Kirkpatrick, came hobbling in on crutches because another experiment had blown up. Who is that old-looking boy walking down the hall? Oh, that is just Thomas Glass still in high school Here comes Billy Osburn, the famous big leaguer. Kirby (Daisy Mae) Grant finally caught her man and is living happily ever after in Dogpatch. I hear tell that the wealthy Billy Fry is quite a rancher. Valerie Cleary has taken Miss Crook's place as a teacher of English. Lawyer Thomas Floyd had to drop an important case in order to unite with the class. Adolfo Barrios has taken the place of Miss Bishop, as the Spanish teacher. Poor Bette Womack! she is still hunting for a man. She's afraid she'll always be an old maid. Bill Bowen's dream was finally realized several years ago when he became publisher of the Paris News. The Boy Scout director, Johnny Skidmore, is doing all right with his work. His lovely country home provides a lot of entertainment for them. How do you like this new dress I am wearing? It was designed by none other than Annette Strickland. There she is sitting right over there. The band director, Jimmy Logan, provided entertainment for us with his students. Eugene Mathis has recently written a new book of poetry. Major James Smith has achieved many honors as an army officer. John Hollowell is the president of General Motors Corporation. Every popular signboard seen now is either by commercial artists Charlie Fisher or Martha Hern. Have you seen the elaborately decorated night club? It was designed and constructed by Bill Malone. Betty Ruth Antoine is now a famous medical technician in New York. Doctor Charles Clark and Nurse Mary Jo Gumm had to check up at the hospital before joining us. Jeanette Barton honored us with her presence, as she is the first lady of the State.

And so the memorable day ends and our class is once more separated.

AMERICA NEEDS MORE "WILDCATS"

We're proud of our Paris High School Wildcats. They have made an enviable record on the football field, in basketball, and in other sports. A grave period has been reached in America's history, and we believe that we all need to emulate the determined drive and effort made by our "Wildcats" in the past, and emerge victorious in the conflict we are now engaged in. Our best wishes to every "Wildcat" for a successful future.

By diligence and effort is every good thing accomplished. To you who by your efforts are about to graduate we extend our sincere congratulations. You are passing one of the most important milestones in your career. You are about to cross the threshold into a larger, more responsible life. Your study has taught you to select the good from the bad, to use better judgment, to be more discriminating. Thus it is that Rodgers-Wade with their eighty-six years' experience and study have learned how to select the best in furniture. Visit Rodgers-Wade when you need anything in home furnishings.

"CONSOLATION TO THE SENIORS"

With apologies to Rudyard Kipling

When the seniors last lessons are studied,
And the quizzes are things of the past,
When the grades have all been recorded
After we've worked right up to the last,
We shall rest, and, Seniors, we'll need it;
We can sleep for an hour or two,
With never a dream to remind us
of the other hard studying to do.

Then—those who have worked shall be happy,
They stroll around in pairs;
Each weary and worn out senior
Shall be free from worries and cares;
We shall have a long rest from then on
with never a bell's shrill call,
And our heads shall have done with aching,
For we'll not have to study at all.

At the threshold of Life's Journey, we extend each of you our congratulations with sincere wishes for a future rich in accomplishments
